

Faculty Position in Applied Physics and Materials Science

The California Institute of Technology invites applications for a tenure-track Assistant Professor position in the department of Applied Physics and Materials Science in the Division of Engineering and Applied Science. Our department is a unique environment where innovative, interdisciplinary, and foundational research is conducted in a collegial atmosphere.

Candidates in all areas of applied physics and materials science or related fields are invited to apply. Candidates are expected to make strong commitments to excellence in research, teaching, and mentoring. The initial appointment is contingent upon completion of the Ph.D. degree. Questions about the application process may be directed to: aphms-search@caltech.edu.

Please submit an online application to <https://applications.caltech.edu/jobs/aphms> and include a brief cover letter; curriculum vitae; relevant publications, a description of proposed research, and a statement of teaching interests. Applicants should submit a diversity and inclusion statement that discusses past and/or anticipated contributions to improving diversity, equity, and inclusion in the areas of research, teaching, and/or outreach. Also required are three letters of recommendation, and instructions will be given for submission of letters of reference when you apply online. This position will remain open until filled, however, applications completed by **December 15, 2022** will be assured of receiving full consideration.

We are an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin, disability status, protected veteran status, or any other characteristic protected by law.
